

Australian School Based Apprenticeships Program

What is the Australian School Based Apprenticeships Program (ASBA's)

SCISCO's partnership with Gold Coast secondary schools and businesses provides the perfect opportunity to link students with traineeship and apprenticeship opportunities.

How can the ASBA's program help?

- Begin a paid traineeship or apprenticeship whilst completing Year 10, 11 or 12
- Gain a head start in your career while continuing at school
- Benefit from ongoing monitoring and support from your school and employer
- Graduate with a senior certificate and vocational qualifications
- Graduate with industry-relevant skills and experience

How do I get involved?
